\*For a complete definition and a list of sources for each of the nine indicators, please see *Definitions, Data Sources, and Reporting Issues*.

\*\*The Other category consists of Asian-Pacific Islanders, American Indians, and whites and blacks where Hispanic origin is unknown. Beginning in 2003, multiple race was reported and was imputed to one of the four minimum races: White, Black, American Indian or Alaskan Native, and Asian or Pacific Islander. See *Definitions, Data Sources, and Reporting Issues* for more details.

\*\*\*For 1990-2002, the Multi-city Average is the 50-City Average. For 2003 and 2004, the Multi-city average is restricted to those cities in states that did not adopt the 2003 revised birth certificate.
