Port Jobs invites you to the premiere screening of *Pursuit of the Dream*, a new documentary about the link between car ownership and economic success for low-income families. This special “Seattle cut” features two local families, including Cindy Shiery, a single mom who bought a car from Working Wheels, a community car program created by Port Jobs and operated by Solid Ground.

The film will be followed by a panel discussion featuring:

- Cindy Shiery, Ironworker and Working Wheels car owner
- Laurie Stewart, Sound Community Bank
- Joyce Kirangi, Board Member, Port Jobs and Kenyan Women’s Alliance
- Doug Walsh, Washington State Office of the Attorney General

Join us afterwards for a reception to celebrate Working Wheels and the many partners who have made this program a success!

Please RSVP to Erin Stallings at stallings.e@portseattle.org or (206) 728-3896.
